THIS DOCUMENT CONTAINS INFORMATION AFFECTING THE NATIONAL DEFENSE OF THE UNITED STATES, WITHIN THE MEANING OF TITLE 18, SECTIONS 793 AND 794, OF THE U.S. CODE, AS AMENDED. ITS TRANSMISSION OR REVELATION OF ITS CONTENTS TO OR RECEIPT BY AN UNAUTHORIZED PERSON IS PROHIBITED BY LAW. THE REPRODUCTION OF THIS FORM IS PROHIBITED.

THIS IS UNEVALUATED INFORMATION

1. After 27 May, all long distance telephone communications between the East and West Zones will be routed through Leipzig. Previously all interzonal telephone channels went through Leipzig, Dresden or Magdeburg. Since Leipzig is already overloaded, the result of this rerouting will be a slow down of all interzonal telephone traffic.
2. The following lines from East Berlin have been transferred from the East German Post to direct Soviet use: three to Potsdam, and one each to Rostock, Wismar, Neuruppin, Leipzig, Magdeburg, Halle, and Luckenwalde. In source's opinion, this may indicate a Soviet troop build-up in these areas.
